

Ford Econovan.

Have you driven a Ford... lately?

FORD ECONOVAN –
RANGE. FEATURES. VALUE.

Ford Econovan has one of the
biggest ranges of one tonne
vans in Australia.

All up, there are ten
different Ford combinations to
choose from. So you can easily
select the right size, loadspace
and configuration to suit your
own particular need.

HARD WORKING,
RELIABLE
AND FLEXIBLE.

Econovans are practical.
The exterior is styled for aero-
dynamic efficiency.

And, as the name
suggests, Ford Econovan is designed
to deliver excellent fuel economy.

Inside, there's an extremely gen-
erous load space, which gives Ford

Econovan just about the largest cargo
area in its class.

Econovan's wide side and rear

doors provide easy access to make light
work of even the biggest loads.

There's also the added conven-
ience of a rear step bumper.

Econovan is designed to make
driving a pleasant experience.

The comfortable cab offers ample

room for three across the split bench seat.

Instrumentation can be read at a
glance. And all Econovans come with an

electronic clock, trip meter,
wash/wipe control, rear de-
mister, remote door locking, an
AM radio and a fuel cap release.

The 4.0m Econovan
has as standard an AM/FM
push-button radio.

ECONOVAN XL.

Econovan XL is versa-
tile because it has a second
row of folding seats that turns
your workhorse into a com-
fortable family runabout.

The Ford XL van also
features cloth seats, sliding

centre side windows, carpeted cabin and
cargo areas, a padded steering wheel and
many more features.

Econovan Maxi 4.7m. Econovan 4.0m.

* XL Van complete with folding second row seat, half-sliding centre side windows, carpet throughout, cloth seat facing, etc.
* Chassis cab ready for fitting your own suitable body style.
* Payload is defined as Gross Vehicle Mass less Kerb Weight. Kerb Weight includes all fluids, and includes a full tank of fuel – but excludes the weight of driver and passengers.
⊙ Depends upon weight of body fitted.

ENGINEERED FOR
RELIABILITY.
PETROL POWER.

In the petrol - power
model there's a 1.8 litre and a
2.0 litre overhead cam engine.

Both incorporate cross-
flow head and multi - spherical
combustion chambers to help
provide Econovan's excellent
fuel economy.

DIESEL POWER.

Econovan Maxi offers
you the benefits of economical
2.2 litre diesel - power.

The quiet-running over-
head cam engine features the
'Quick Start' system for reliable
starting in cold conditions.

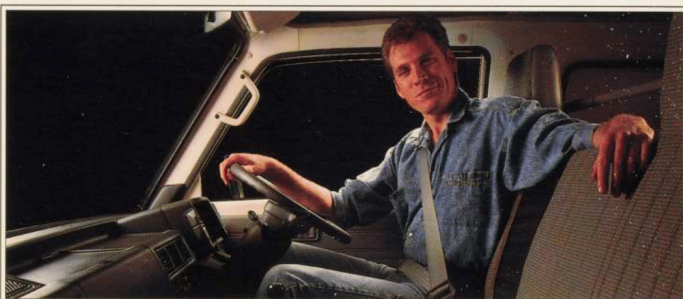

TRANSMISSION OPTIONS.

All Econovans are fitted with an
economical 5-speed manual transmission.

Or, for a little extra, you can
enjoy the convenience of 4-speed auto
transmission on some models.

Econovan XL seats six adults.

Econovan interior.

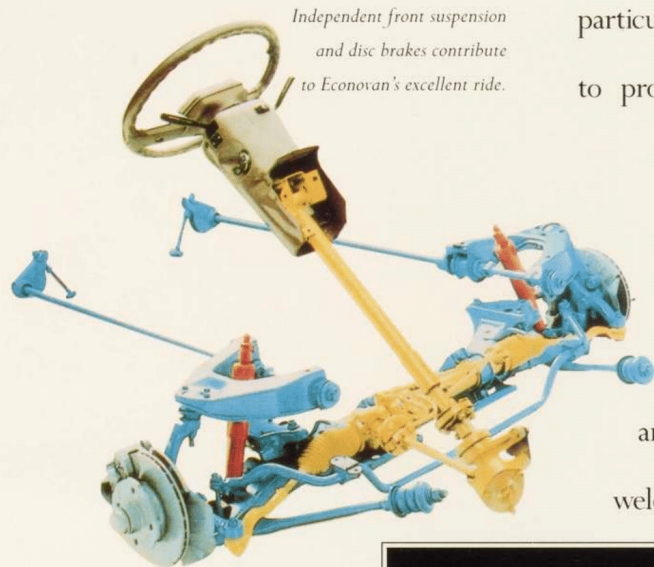

Econovan XL interior.

Ergonomically designed instrument panel.

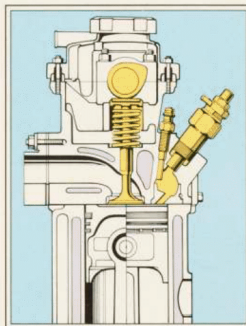

Wide rear door for easy loading.

Independent front suspension and disc brakes contribute to Econovan's excellent ride.

particularly quiet. Its chassis is designed to protect you. The monocoque body construction increases the Econovan's strength and stability by welding the body

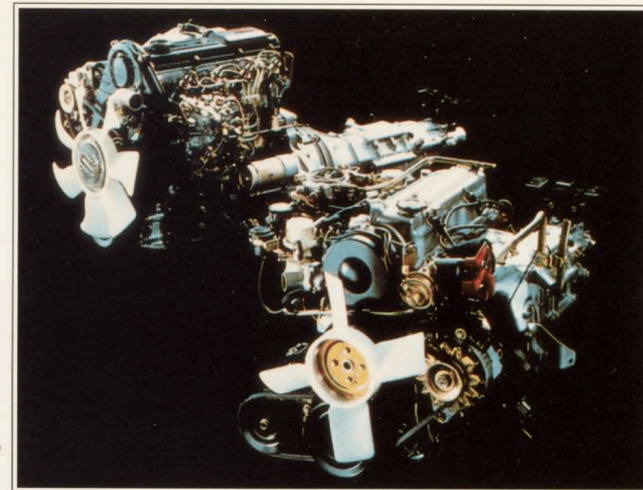

Direct fuel injection for big diesel power.

to the platform. This helps reduce noise and vibration, making it even more comfortable for you and your passengers.

STEERING POWER.

Econovan's precise rack and pinion steering gives you light, responsive control.

Economical 2.2 L diesel engine. Powerful 2.0 L OHC petrol engine.

STOPPING POWER.

Econovan has positive-action front disc brakes with self-adjusting drum brakes on the rear for sure stopping power.

5-speed manual gearshift.

There is also a load sensing gravity valve which adjusts your rear brake pressure to accommodate varying load and road conditions.

BODY POWER.

Econovan's interior is

T-bar automatic with overdrive, optional at extra cost.

ECONOVAN MAXI 4.7M CAB CHASSIS - PETROL

The 4.0m Econovan is one of the most manoeuvrable vehicles in its class, with an impressive 8.6 metre kerb to kerb turning circle.

ECONOVAN POWER.

Ford Econovan is loaded with

power. In fact, every Econovan has the muscle to carry a payload of over a tonne. And there are plenty of standard features to make work a little easier. So whatever business you're in, there's an Econovan to suit your needs and your budget.

About this brochure. This brochure is designed to provide you with a general introduction to the Ford Products (including available optional equipment) referred to, and should be read in conjunction with the latest specification sheets. Because of changes in conditions and circumstances Ford* reserves the right, subject to all applicable laws, at any time, at its discretion, and without notice to discontinue or change the features, designs, materials, colours and other specifications and the prices of its products, and to either permanently or temporarily withdraw any such products from the market without incurring any liability to any prospective purchaser or purchaser. The latest specification sheet should be referred to for information on the availability, ordering and use of optional equipment. Always consult an Authorised Ford Dealer for the latest information with respect to features, specifications, prices, optional equipment and availability before deciding to place an order.
